Find out why Montessori teachers love us

I would like to say how pleased I am with your program! I was certified through your training center and started my own thriving Montessori school. I refer all of my staff to become certified through you because of your beautiful manuals and convenient programs. I am a working mother of four children and it would have been impossible for me to become Montessori certified if it weren't for your program. Thank you for giving everyone a chance to pursue their dreams.

Rachel Supalla, NAMC 3-6 Graduate
